Student/Teacher Expectations: Lexington High School's expectations are also my classroom expectations. We follow the rules while under my supervision. We're on the MARCH. We are Mindful, Accountable, Respectful, Compassionate, and Honest.

In my classroom, we treat each other the way we want to be treated. We respect the authority of the teacher, so I can respect the time of the student. We recognize that the amount of fun and freedom we have in our learning environment is dependent on students and teachers following expectations.
