Compulsory Attendance and Excessive Absenteeism

Required Attendance

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when attendance is made impossible or impracticable by severe weather conditions or by the mental or physical illness of the student or a child whom the student is parenting.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend [exempt](#) school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending exempt schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Prohibition on Discontinuing Enrollment – Abuse or Neglect Investigation

[Upon notice from the Department of Health and Human Services, the District shall not facilitate the transfer or disenrollment of a student whose parent, guardian, or educational decisionmaker is subject to an active investigation by the Department for fourteen days or until further notice from the Department, whichever occurs first.](#)

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excused Absences – Physical or Mental Illness

[Absences shall be excused by a parent, guardian, or educational decision maker, as defined in section 79-530, of the child for physical or mental illness and as documented by a credentialed health professional, provided the documentation supports such absence. In the instance of chronic illness, documentation shall be reviewed each semester.](#)

Absences*

1. Students are expected to attend every class, every day.
2. High School: Students must not acquire more than 10 absences, excluding absences identified in item 6 below, from any course in any given semester in order to earn academic credit for that course for that semester. Mandatory attendance at summer school (considered a part of the preceding regular school year term) is required for students who have acquired more than 10 absences in a semester in any course. Students who acquire more than 1 day of absence of mandatory summer school may lose credit for the class and may be referred to the county attorney. See student handbook for additional information.
3. Elementary and Middle School: Students must not acquire more than the equivalent of 15 school day absences, excluding absences identified in item 6 below, in a school year. Mandatory attendance at summer school (considered a part of the preceding regular school year term) is required for students who have acquired more than the equivalent of 20 school day absences in a school year. Students who acquire more than the equivalent of 3 school day absences in mandatory summer school may be referred to the county attorney. Students may appeal assignment to mandatory summer school to his/her building principal.
4. Students in grades preK-12 whose residence ceases or who miss more than 10 consecutive days of school for any reason will be dropped from enrollment. The administration will consider requirements for residence, domicile, and attendance under state statute and Department of Education rules when making this determination. If they should subsequently return, they will be required to re-enroll once disenrolled. Unless a student provides evidence s/he had been enrolled in another school district during the period of absence or was otherwise excused from attendance at LPS, her/his absences up to the time of re-enrollment will be counted in the determination of loss of academic credit (if applicable), assignment to mandatory summer school, and compliance with compulsory attendance laws.
5. Interventions to Reduce Absenteeism
 - 1st-4th absences: The parent/guardian will be contacted.
 - 5th absence: The parent/guardian will be contacted and the student will meet with his/her counselor and/or a member of the administration to discuss the reasons behind the student's absence(s) and possible solutions.
 - An attendance hearing may be required at the discretion of the principal at any time. At a hearing, the parent, student, and school official and/or designated hearing officer will develop a collaborative plan to reduce barriers to regular attendance (form attached to this policy).

- The county attorney will be contacted by an administrator or hearing officer after the 20th cumulative day-equivalent absence (i.e. partial day absences will be added together in calculating cumulative days of absence) in a school year for possible violation of compulsory attendance laws.

6. *Absences caused by the following circumstances shall not be counted against a student:

- a) when a licensed health care provider, including a school nurse or licensed mental health practitioner (LMHP), has confirmed in writing, in his/her professional medical opinion and within his/her scope of practice, the student or a child whom the student is parenting is so physically or mentally ill, injured, or disabled that attendance is impracticable or impossible. Time ***necessarily missed*** due to medical appointments or procedures confirmed in writing from a licensed health care provider shall also not count against a student. The documentation from the provider must be turned in within seven (7) calendar days of the last day of absence, otherwise the absence will count toward the 20 days of absenteeism resulting in contact with the county attorney as described in item 5 above.
- b) due to weather conditions that have made the roads impassable so that the student's attendance is impracticable or impossible;
- c) student participation in a school-sponsored activity;
- d) student has been suspended or expelled from school by the school district;
- e) an absence caused by and required of law enforcement, child protective services or a court of competent jurisdiction, confirmed in writing to the school district; and
- f) up to two college, military recruitment, or other valid post-secondary visits (one day each) as approved by the principal; additional visits may be allowed at the discretion of the principal. (Applicable only to the visiting student, not accompanying siblings.)
- g) Earned time off for achieving performance goals in a district alternative education program.
- h) Absences related to district-approved work study, job shadowing arrangements, college coursework, or other post-secondary programs.
- i) All other absences will be recorded simply as "absent". They include, but are not limited to, absences due to: physical or mental illness, injury, or disability not confirmed in writing by a licensed health care provider by the deadline established in 6a); religious holidays; funerals; incapacitated

or sick parents or other family members; vehicle unavailability or breakdowns; travel delays; or family vacations, situations, or events.

7. Upon return from every absence or partial-day absence, students shall confer with their teachers about missed classwork. Please refer to the individual teacher's class syllabus for late/makeup work procedure. See student/parent handbooks for additional information on making up assignments

Disenrollment Packet

Disenrollment from school is a serious decision with significant legal ramifications. Nebraska Statutes § 79-201 to 79-209 cover compulsory attendance at public school, exceptions, and the ways that a parent or a student who has reached 18 years of age may disenroll. The forms in this packet will help parents and students complete the legally required steps.

The disenrollment process is different for students of different ages. Multiple forms are contained in this packet. You only need to complete one of the disenrollment forms. When selecting the correct form for disenrollment, please note that the forms ask about your student's current age AND what age your student will be on January 1 of the current school year.

Depending on the age of your student at disenrollment, an exit interview may be required by state law.
