Materials Needed:

*Notebook

*Pencil

*Pen

*Folder or Binder

*Charged IPAD

*Calculator- We will have calculators in class to use, but they can not leave my room. **You will need one outside of class to work on homework. I would buy a scientific calculator.**

Expectations:

-Be Respectful with those around you

-Always treat others kindly

-Accept your mistakes

-Take Responsibility for your work

-Don't complain and have a positive attitude

-Students are expected to follow directions and behave following the classroom rules and the student handbook.

-Use the restroom before class starts. If you are not back before the bell rings you will have to create a pass. If you ask to use the restroom during class I will only let you go if it is an emergency.

-NO CELL PHONES OR EARBUDS!!!! If we see them, then we will take them. School Policy.

Classroom Policy for Missing Class:

-If you are SICK or miss class for other reasons, you will need to make-up the work you missed when you return. You will need to make up your daily warm-ups for the days you are gone. You will have the same amount of days you were gone to get your missing work completed. If your work is turned in after those amount of days, then your work will be late.

Ex. Sick for 2 days, then you have 2 school days from when you get back to turn in your missing work

-If you will be gone for a school ACTIVITY/SPORT you will need to make up your work before you go. Come see me before the day of, to get your assignments you will be missing. Not having your homework done or not taking a test because you were gone that day due to a

school activity is not acceptable. You will need to study and make up all the work when you are gone for an activity/sport. You will not be excused from taking a test/quiz the next day.
