Text/Materials

*Pencils
*Paper
*Calculator (provided, unless you want to buy your own)
*Erasers

You will need paper for notes and homework. Calculators are permitted unless the teacher says otherwise. I will have a classroom set that will be available during class, but it will need to be checked back in at the end of the period. You will not be allowed to take a calculator home. You are responsible for the calculator that you are assigned. If you break it, you will pay for it. Homework will be handed in each day and a homework quiz may be given. Work needs to be done in pencil. Calculators on phones and iPads are NOT allowed.

Sponge

Every day students will do a warm-up activity unless the teacher instructs them not to. Warm-ups will vary from week to week. Some will be on the computer or the board, and others will be on paper. Please try your best on the sponge activity. Most of these are set up to prepare you for the ACT test.

Attendance/Late Work

ALL MISSING WORK GOES IN AS A ZERO UNTIL IT IS DONE. Students need to be in class. If you miss class, please make plans with me to get your notes and your homework. I will not hunt you down to get you your assignment. This is YOUR responsibility. Please make up missed quizzes and tests as soon as possible. School policy states that you will not receive credit if you miss more than 10 days of class. Please get your late/missing work taken care of as soon as possible. After so long, I will make a list of all the missing work on the board and set a final deadline. If your work is not handed in at that time, I will not accept it.

Academic Dishonesty

Cheating is being dishonest. The person cheating and the person who has supplied the answers to cheat will receive a zero. Keep your eyes on your own tests and quizzes, or you will receive a zero as well.

Tardies

You are expected to be in your seat when the bell rings. If you are tardy, you will serve a 30-minute detention. The day the detention is given is DAY 1. If you don't serve your detention by DAY 3 you will go to ISS.

Bathroom/Drinks/Safety

ASK to use the bathroom or get a drink before class starts. Do not ask during class. If you have to leave during class, you will need to make up the time that you are out of class after school that day. If that time is not made up, you will be given a 30-minute detention. The Securly App will be used for passes. If you have used your allotted passes for the day, you will not be allowed to leave.

Fire- Go out door #12 to the front of the modular. Meet together as a group so I can take attendance.

Tornado- Go to Mr. Arias' room across the hall.

Miscellaneous

- No food in class
- The only drink that is okay is water
