-Be Respectful and Kind. I do not tolerate students being disrespectful and dishonest!

-Try your best! Everyone is at a different level mathematically, but I expect each student to give their **best effort** to improve from their starting point.

Classroom Policy for Missing Class:

-If you are SICK or miss class for other reasons, you will need to make-up for the work you missed when you return. You will have the same amount of days you were gone to get your missing work completed. If your work is turned in after those amount of days, then your work will be late.

Ex. Sick for 2 days, then you have 2 school days from when you get back to turn in your missing work

-If you will be gone for a school ACTIVITY/SPORT: Come see me before the day of, to get your assignments you will be missing. Not having your homework done or not taking a test because you were gone that day due to a school activity is not acceptable. You will need to study and make up all the work when you are gone for an activity/sport. You will not be excused from taking a test/quiz the next day.
